

## Products

- Air Plenums
- Gas Turbine Enclosures
- Steam Turbine Enclosures
- Generator Enclosures
- Acoustical Barrier Walls

## Fabrication, Design and Project Management

- 75,000 SQ FT Manufacturing Facility
- ISO 9001 Certified
- AWS Certified Welding
- Blasting / Painting
- Acoustical Testing & Analysis
- Structural Design & Analysis
- Solid Modeling of Complete Systems
- Retrofit & Upgrades for Existing Plant Equipment
- Enclosure Ventilation Ducting Systems
- MCC / Electrical / Fire Protection Systems For Enclosures

FABRICATION CAPABILITIES IN 25 COUNTRIES
